

DESSERT MENU

For Cindy Penick, wife of Terrace owner Stewart Penick, baking has always been a labor of love. So when Terrace decided to introduce a homemade dessert menu, it was only natural for Cindy to infuse her love of baking into the restaurant that she and her husband built together. From testing recipes to finalizing the menu, Cindy influences every aspect of the dessert menu. So — from our family to yours, enjoy every delicious bite from Our Family Favorites.
